

Product description: Damper Actuators

Models: RA2-series  
RA4-series  
RA8-series  
RA16-series  
RA24-series  
RA32-series  
RAR5-series  
RAR10-series  
RAR15-series

Testing according to: EN60730-2-18: 1999  
EN60730-1: and its amendments Nos. 1, 2, 3

This is to certify, based on the review of the technical file, that the aforementioned product meets the requirements, on the approximation of the law of the member states, of council directives 89/336/EEC relating to electromagnetic compatibility (EMC) and of council directives 73/23/EEC and 93/68/EEC relating to low voltage directive (LVD).

Place: Göteborg, Sweden

Date: 2011-06-19
